LIMITED WARRANTY
80 and 115 Gallon Glass Lined
Hot Water Storage Tanks

SCOPE OF WARRANTY:

Raypak, Inc. ("Raypak") will furnish a replacement storage tank in the event of tank failure in normal use and service within five (5) years after date of original installation. The Raypak replacement tank will be warranted for only the unexpired portion of the original warranty.

IMPORTANT NOTICE:

Incorrect installation will cause rapid failure of water tanks due to electrolysis. It is vital that this risk is reduced by the use of dielectric connectors at all connections to the tank (including the relief valve and the drain valve connections), isolation of the tank supports, and regular anode servicing. Installers must maintain tank following the correct procedures.

WARRANTY EXCLUSIONS:

This warranty does not cover failures, defects, or malfunctions if:

1. Due to failure to properly install, operate or maintain the tank in accordance with the manufacturer's instructions.
2. Due to abuse, alteration, accident, fire, flood, earthquake and other natural disasters.
3. Any defect or damage caused by operating the unit with anode removed or deteriorated below 10% of its original mass.
4. The tank is operated at water temperatures exceeding the maximum setting of the operating and/or high limit control, or the storage tank is not supplied with potable water free to circulate at all times or is subjected to pressures greater than those shown on the rating plate, which must not be altered, defaced or removed.
5. Installation outside the United States of America or not installed in accordance with Local Codes, Ordinances and good trade practices.
6. Relocation from original installation location.

LABOR CHARGES:

This warranty does not cover any labor expenses for service, removal or re-installation. All such expenses are your responsibility.

SHIPPING COSTS:

Raypak will pay the transportation costs for shipping the replacement tank to the site of original installation. Any costs for return of the replaced item will be your responsibility.

TO MAKE WARRANTY CLAIM:

Promptly notify the original installer, supplying the model and serial numbers of the unit, date of installation and description of the problem.

The installer must then notify his Raypak distributor for instructions regarding the claim. If either is not available, contact SERVICE MANAGER, RAYPAK, INC., 2151 EASTMAN AVENUE, OXNARD, CA 93030 (805) 278-5300. In all cases, proper authorization must first be received from Raypak before replacement of any part. Any replaced part must be made available to Raypak in exchange for the replacement.

EXCLUSIVE WARRANTY - LIMITATION OF LIABILITY:

This is the only warranty given by Raypak. No one is authorized to make any other warranties on Raypak's behalf. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. RAYPAK'S SOLE LIABILITY AND THE SOLE REMEDY AGAINST RAYPAK WITH RESPECT TO DEFECTIVE TANKS SHALL BE AS PROVIDED IN THIS WARRANTY. IT IS AGREED THAT RAYPAK SHALL HAVE NO LIABILITY, WHETHER UNDER THIS WARRANTY, OR IN CONTRACT, TORT, NEGLIGENCE OR OTHERWISE, FOR ANY SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGE, INCLUDING DAMAGE FROM WATER LEAKAGE.

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

We suggest you immediately complete the information below and retain this Limited Warranty Certificate in the event warranty service is needed. Reasonable proof of the effective date of the warranty must be presented; otherwise, the effective date will be based upon the date of manufacture plus THIRTY (30) days.
