ITEM NO. 9155

DELUXE BASKETBALL GAME

ASSEMBLY INSTRUCTIONS:

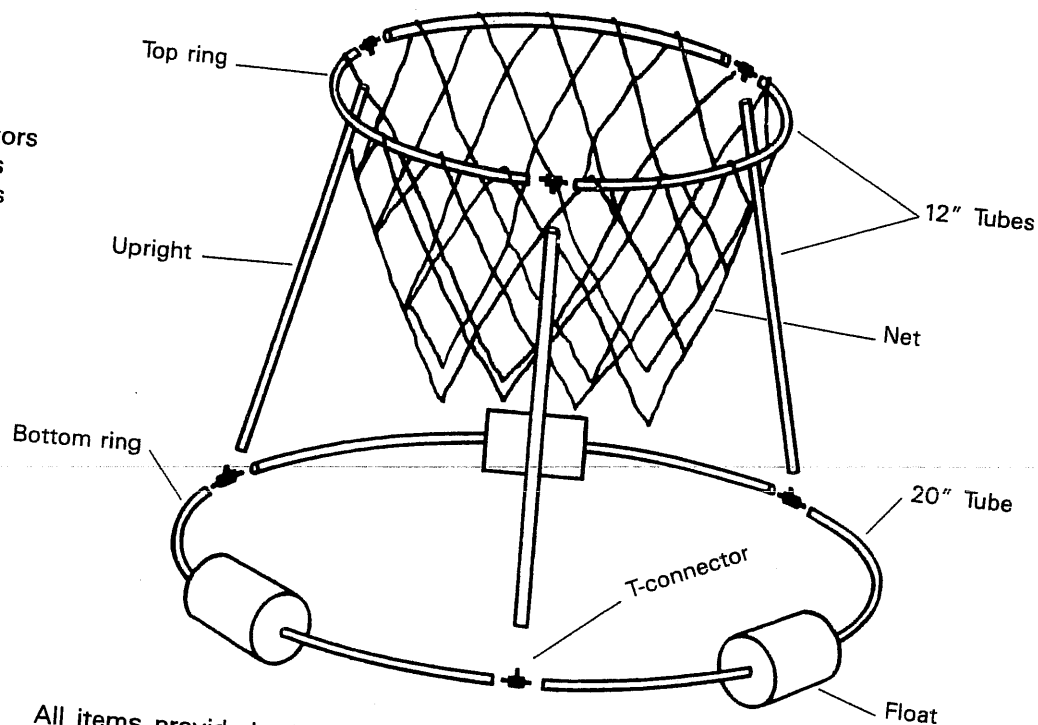

NOTE: Prior to assembly, be sure to check the contents of the package against the component list enclosed. If you find any discrepancies, immediately contact your dealer.

Also, lay all plastic tubes in warm sunlight on a dark surface for 30 minutes prior to assembly to increase pliability. During assembly, bend tubes in the opposite direction of their natural curve to create rings of more true radiuses.

1. Bend three 12" tubes in arch.
2. Loop the top of the net on to the arched tubes.
3. Join the arched tubes with 3 T-connectors to form the top ring.
4. Slide 1 float on each 20" tube.
5. Repeat steps 1 and 3, using the three 20" tubes to form bottom ring.
6. Connect the top and bottom rings with three 12" tubes as uprights.

CONTENTS:
