

# INSTRUCTIONS FOR JAMMIN' BASKETBALL

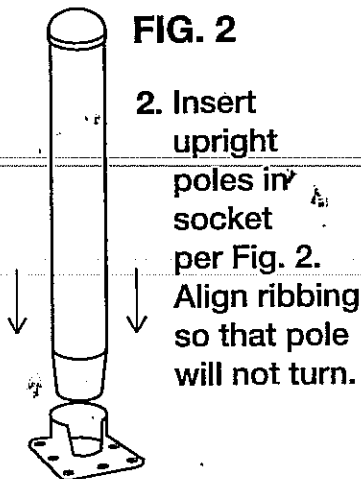

**FIG. 1**

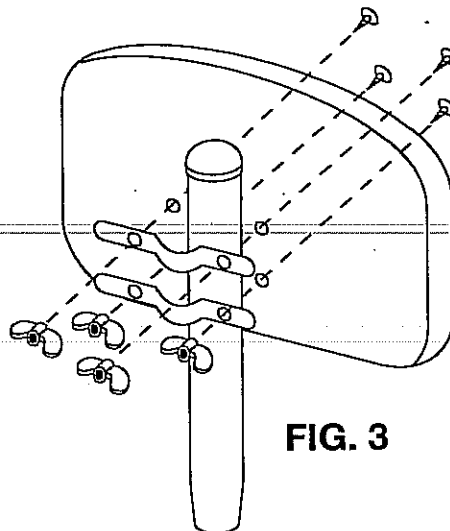

**Detail A**

1. Determine position desired for your Basketball game upright pole, backboard and net. You will need to install (1) socket on top rail of pool, per Fig. 1. Secure socket (see Detail A) to top rail of pool using (5) self-drilling screws provided. Begin installation with center screw. Note: Break-Away opening should face inside of pool.

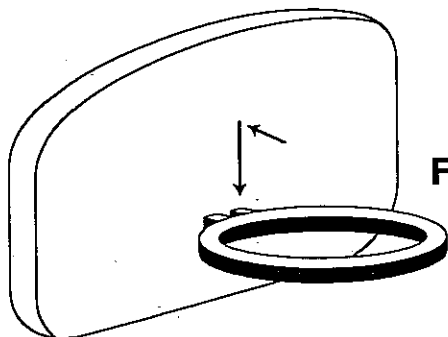

**FIG. 2**

2. Insert upright poles in socket per Fig. 2. Align ribbing so that pole will not turn.

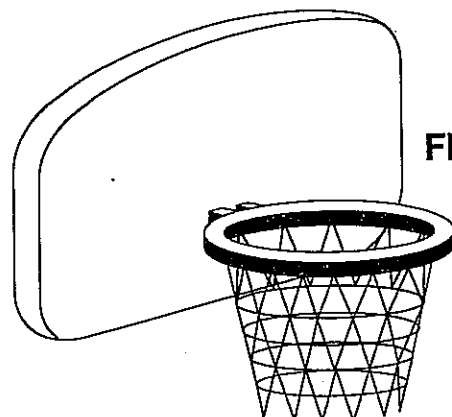

**FIG. 3**

3. Secure backboard to upright pole per Fig. 3.

**FIG. 4**

**FIG. 5**

5. Attach hoop to backboard per Fig. 4.

6. Attach net to hoop per Fig. 5 & play.
